PUBLIC NOTICE OF HEARING ON **TUCSON ELECTRIC POWER COMPANY'S** **FINANCING APPLICATION** **DOCKET NO. E-01933A-07-0080**

On February 2, 2007, Tucson Electric Power Company ("TEP") filed an application ("Application") with the Arizona Corporation Commission ("Commission") for requesting authorization for various financing transactions. TEP requested the following approvals: 1) authorization for a maximum \$1,000,000,000 long-term debt threshold; 2) to exclude capital lease obligations or indebtedness arising from its \$150 million Revolving Credit Facility from debt included in the determination of the maximum threshold; 3) to execute and deliver one or more supplemental indentures to its Mortgage and Deed of Trust that establishes a lien on all, or substantially all, of TEP's property as security for all or any part of TEP's indebtedness; and 4) authorization to receive equity capital contributions from its parent company, UniSource Energy Corporation ("UNS"), in an amount not to exceed \$150 million. The Commission's Staff has filed a Staff Report with its recommendations on the Application.

The Commission will hold a hearing on this matter beginning at 10:00 a.m. on August 17, 2007 at the Commission's offices, Room 131, 400 West Congress Street, Tucson, Arizona 85701. Public Comments will be taken in Tucson at the beginning of hearing. Copies of TEP's application are available at its office, **One South Church Avenue, Suite 100, Tucson, Arizona**, on the internet via the Commission website (www.azcc.gov) using the e-docket function, and at the Commission's offices for public inspection during regular business hours.

The law provides for intervention in the Commission's proceedings on the application by any person having a direct and substantial interest in the matter. Persons desiring to intervene must file a written motion to intervene with the Commission, which motion should be sent to the Company or its counsel and to all parties of record, and which, at the minimum, shall contain the following:

1. The name, address, and telephone number of the proposed intervenor and of any party upon whom service of documents is to be made if different than the intervenor.
2. A short statement of the proposed intervenor's interest in the proceeding (e.g., a customer of the Company, a stockholder of the Company, etc.).
3. A statement certifying that a copy of the motion to intervene has been mailed to the Cooperative or its counsel and to all parties of record in the case.

The granting of motions to intervene shall be governed by A.A.C. R14-3-105, except that all motions to intervene must be filed on or before August 7, 2007. The granting of intervention, among other things, entitles a party to present sworn evidence at hearing and to cross-examine other witnesses. However, failure to intervene will not preclude any customer from appearing at the hearing and making a statement on such customer's own behalf.

For information about requesting intervention, visit the Arizona Corporation Commission's webpage at <http://www.azcc.gov/utility/forms/index.htm>. Any person may file written comments on the application, without seeking intervention, by mailing copies to the Commission and TEP. Requests to intervene and written comments should include the docket number E-01933A-07-0080.

If you have any substantive questions about this application you may contact the Company at: Tucson Electric Power, Corporate Communications, P.O. Box 711, Tucson, Arizona 85702, 520/884-3742, corpcomm@tep.com.

If you wish to file written comments regarding the application, or want further information on intervention, you may contact the Consumer Services Section of the Commission at 1200 West Washington Street, Phoenix, Arizona 85007, or call 1-800-222-7000.
